History

Ruled by a rod of iron and a will of steel Mrs Paddock, Mrs Hobern, Mrs Chapman, Mr Evans and the Year 4 children really entered into the lives of Victorian children at the Sevington School. The terrifyingly strict Miss Squires soon had even the most talkative children hanging on her every word.

Ian Coello, the catering manager at Prior Park provided an authentic lunch of bread, cheese and chicken, which the children appreciated. The children made lavender bags for girls and wax candles for boys.

A thoroughly enjoyable day, although everyone agreed that they would not like to be a Victorian. One young scholar remarked as he left, "I'm going to have a big session on the playstation to get me back to normal when I get home!"
